

## easySDI - Feature #733

### Hide status of search criteria

06/10/2014 10:52 AM - Portier Thomas

<b>Status:</b> New	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b> Portier Thomas	<b>% Done:</b> 0%
<b>Category:</b> CATALOG	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	<b>Ergonomic impact:</b>
<b>Sponsor:</b>	
<b>Functional impact:</b>	
<b>Description</b>	
The status of search criteria is not taken into account on front end. I suggest to fix its value to "published" by default and to hide it in the back office in the list and in the form.	

### History

#### #1 - 06/11/2014 10:47 AM - Mérour Xavier

- Assignee set to Portier Thomas

You mean, whatever the status is, the search criteria is visible in FE ?

#### #2 - 06/11/2014 10:55 AM - Portier Thomas

- Assignee changed from Portier Thomas to Mérour Xavier

yes

#### #3 - 07/01/2014 10:58 AM - Mérour Xavier

- File *search\_criteria\_redundancy.png* added

- Assignee changed from Mérour Xavier to Portier Thomas

Concerning this issue, the status "published/unpublished" is redundant with the "criteria type" set to "none".

(see attachment)

So, I agree all search criteria should be set automatically to "published" and hidden in back-office.
